Our Distinctive Programmes

Start-It-Right (SIR) Programme

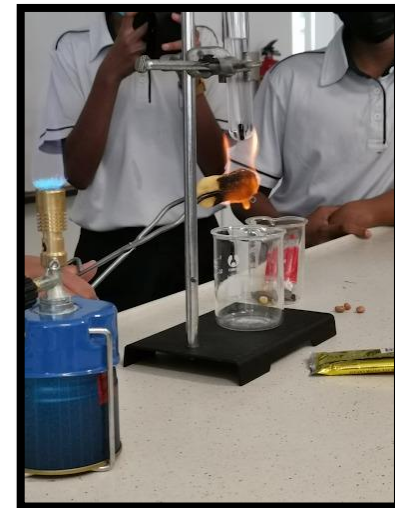

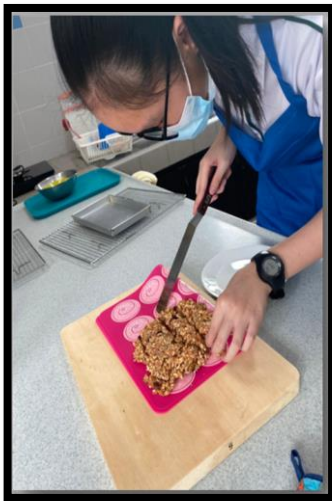

- First week of school
- Help new students orientate and get to know the school
- Learn and understand expectations and routines
- Bond and form relationships with teachers and classmates through in-school and out-of-school activities
- Give parents a glimpse of child's school life

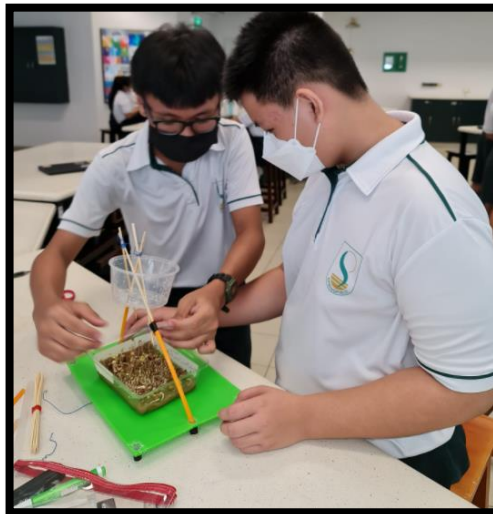

Applied Learning Programme (ALP) (Health & Food Science)

- Develop 21st Century Competencies (21CC) in real-world contexts and provide opportunities to apply knowledge and skills across different subject domains and contexts
- Provide learning experiences to nurture curiosity, develop creativity, and ideate solutions for real-world problems

Secondary 1 ALP: Staying Healthy

Secondary 2 ALP: Springfield in a Garden (Urban Farming)

- Students who wish to pursue interests further may engage in research projects and compete in Science and STEM ALP competitions at the national level.
- Opportunities to deepen the knowledge in Health and Food Science are also provided through student work attachments and learning journeys to the relevant industries.

Learning for Life Programme (LLP) (Community Youth Leadership)

All students will be developed through the **L.E.A.D (Leaders for Excellence, Action and Development)** framework

Global Education Programme (GEP)

- Develop in students a global outlook and different cultural and global perspectives, so as to be future ready.
- Students will have opportunities to go overseas to learn more about another country, as well as their own countries and selves.

Co-Curricular Activities Programme

- Our CCA programme aims to develop **Passion; Leadership & Teamwork; Knowledge, Skills, Values; Friendship and Belonging; Spirit of Service to Community; Core values, Social Emotional Competencies and 21CC**
- Students with special talents or potential will be nurtured and guided to attain higher levels of achievement.
- CCAs available:

Physical Sports	Uniformed Groups	Visual and Performing Arts
Floorball (boys) Floorball (girls) Football (boys) Netball (girls) Outdoor Pursuits Club Taekwando	Boy's Brigade Girl's Brigade NCC (Land) (boys) NPCC (Sea)	Band Modern Dance Drama (English) Guzheng Ensemble

Co-Curricular Activities Programme

- CCA participation is **COMPULSORY**. All students must have at least one CCA and approval is needed to change CCA.
- As required by Ministry of Education's CCA policy, the School Band, National Cadet Corps (NCC) and the National Police Cadet Corps (NPCC) are mandatory CCAs for all secondary schools. Students in these CCAs are not permitted to change their CCA during their school years unless due to medical reasons.

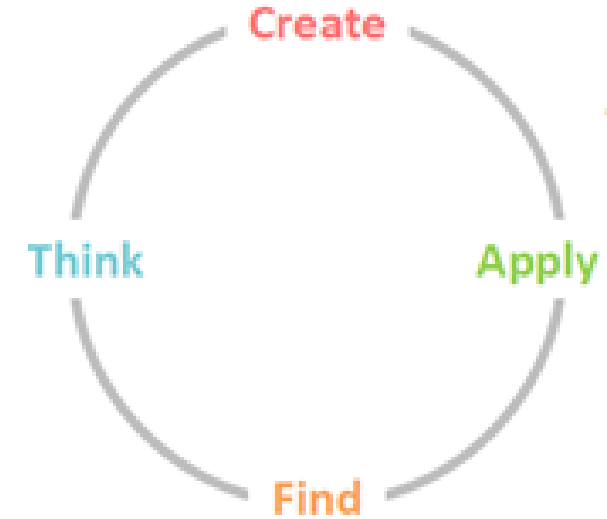

National Digital Literacy Programme

Launched in March 2020, the NDLP is intended to equip all Secondary Students with digital literacies across the 4 components: Find, Think, Apply and Create.

Students will **own personal learning devices (PLD)** that will enable them to learn effectively through ICT mediated activities.

More information on the purchase and use of the personal learning device will be shared with Sec 1 parents via an engagement session on the evening of 18 Jan 2023. Please look out for the notification that will be sent to you via Parents Gateway.

Home-Based Learning (HBL)

- To provide more opportunities to learn independently and be self-directed in learning, students will participate in **home-based learning days** once every 2 weeks (alternate Fridays).
- Students need not be in school on these days and will attend online lessons (synchronous or asynchronous).
- Students are still provided a timetable as a guide, and teachers will check in on students at the start and end of the HBL lessons.
- Time is allocated for **student-initiated learning**, where students may pursue an interest or learn something new.
- Students who need a more conducive learning environment, or need additional support may come to school on HBL days to access the HBL lessons. Before the arrival of PLDs, students who lack devices may loan from the school.

Home School Partnership

- Notifications will be sent via Parents Gateway
- Meet-the-Parents sessions once per semester
- Springfield Parents Network - a group of committed parents who partner the school to **support fellow parents in nurturing their children**. It is a **platform for parents to network, share, learn and support each other** in this parenting journey.
